

Traditional Archery Australia Incorporated

Development Fund Grant

Submission Form

Each twelve months TAA will announce to all TAA Clubs the release of funds from the TAA Development Fund. This fund comprises monies raised through a ten dollar adult contribution at each TAA Title/Muster. Occasionally other money, such as donations and sale of assets, may enter the fund.

TAA Clubs may apply for a portion of this Development Fund money through application and submission of this form. A cap of \$750 will apply to each submission. The submission must arrive in the TAA Secretary's email secretarytaa@traditionalarcheryaustralia.org no later than the close of business on the due date.

All Submissions will be read and evaluated by the TAA Committee Members. Decisions will be based on the relevance of the submission when compared with the TAA Mission Statement *Promoting and Protecting Traditional Archery in all Forms: Field, Target and Ethical Hunting* and also the submission's inclusiveness of community, youth and people of all abilities. Parity between all TAA clubs will be recognised.

Submissions may include the purchase of equipment to help run a program, encourage club growth and/or ensure safety audit requirements are met. Skills/crafts that relate to traditional archery are one of the defining features of TAA, equipment for courses involving the teaching of these skills would also be considered.
