

“Promoting and Protecting Traditional Archery in all Forms”

Incorporated No. 1400344

TAA CLUB ETHICS

- To provide a safe and enjoyable place for people to come and try, participate and learn about the sport of Traditional Archery
- To actively coach and develop junior archers in a safe, positive environment compliant with relevant state legislation requirements
- To put the safety of all attending the club as the main priority, (physically and mentally)
- To actively promote the sport of Traditional Archery in all its styles over all other forms of archery
- To actively promote the skills, craftsmanship involved in traditional archery helping members improve their confidence, knowledge and overall understanding
- Never to denigrate any other club, association or style of archery and treat all archers with mutual respect
- To proactively promote Official TAA Information, activities and shoots to its members
- To actively participate as a club in all TAA Club Delegate Meetings
- To encourage all members to attend TAA organised events
